FOREWORD

Anzac Day 1976 and war was declared on three fronts, namely Gosnells, Kwinana and Kelmscott in the battle for recognition amongst S.S.M.F.L. territories.

And the eveness of the competition will ensure they're a close and hard-fought series of battles.

It is true that Maddington have produced awesome displays of firepower in their opening games but immediatly behind them is an intense struggle for high ground on the ladder.

Mandurah and Kenwick remain undefeated - a remarkable but pleasing transformation after disappointing seasons last year. Armadale were ambushed in the final quarter last week by Kelmscott but hold fourth place on percentages from Kelmscott, Kwinana and Gosnells.

Only three teams have yet to register points and that situation must change of course when two of them, Thornlie andd Kalamunda, meet today.

But back to today's more vital confrontations.

Kenwick and Mandurah put their newly ..lished reputations on the line and for the Seasiders, who meet Kelmscott, it will be their first real test.

The other important game represents two contrasting situations. Armadale will be endeavouring to substantiate their improvement - Kwinana will be endeavouring to regroup their forces and find some lost form.

It all adds up to top football and while Maddington threaten to dominate the competition, it's worth remembering they've yet to play any side higher than seventh on the League ladder.

Today's games - Kenwick impressed with their pace and economical use of the ball in difficult conditions last week and they should be too strong for Gosnells at Gosnells Oval. Gosnells obviously improved last week but they lack the big man power that the Wicks boast.

Kwinana will require more diligent performances from proven players such as Don Baskerville, Frank Legina and Kevin Frazer if they're to retard Armadale's progress at Medina Oval. However, Armadale showed a disturbing lack of discipline in the last quarter last week and if that's evident again today it will cost them dearly. Kwinana to win.

At Wyong Oval Canning take their turn at trying to knock-off League leaders, Maddington. It's an unenviable task and one that certainly looks beyond the Tigers at this stage of the season.

Kalamunda and Thornlie have yet to register points so that fact alone should provide the incentive for an interesting game at Hartfield Park. However, Kalamunda are lanquishing through an apparent lack of talent, whereas Thornlie's problem appears to be a lack of cohesion. They've got some top class players in the Whyte brothers and Fred Seinor and their ability alone should see Thornlie through today.

Mandurah travel to John Dunne Oval for their clash with Kelmscott - a game that could have a big bearing on the fate of both sides this season. Mandurah are riding high after successive wins but the Blue and Whites will have taken great heart from last Sunday's desperate win. An interesting contest - Mandurah by a whisker.

THE HAWKS

Congratulations to our League team for their convincing win over Thornlie last week. Best players for the match were Peter Dougan, Sid Websdale, Barry Woodhead and Arthur James. It was our first victory for the season and the team is confident of success against Kenwick today.

The defeat of our Reserves side could have been the result of some players being absent for the Easter break. The Club naturally expects full attendances for all future fixtures.

Our under 18's side defeated Northam in a positive game last weekend and they appear set for a good season. Well done fellas.

Match Committee Chairman, Mr. Charles Pollock, requires more helpers for time keeping water boys, etc. Anyone interested in lending a hand please contact Charlie or any of the Committee.

Club membership is still due and nomination forms are available from the Secretary or any Committeeman. Membership of $12 and Assoc -iate membership of $4 includes admission to all home games as well as normal Club privileges.

H.H.

THE SEASIDERS

Another double to the Club at the expense of Canning. Congratulations to both sides. Best Players - A Reserve - W. Doy, D. Skipworth, J. Farley, S. Sutton. M. Hicks.
A. Grade - B. McKay, B. Trevenen, G. Rundell, G. Reynolds. G. Rees.

Today's game against Kelmscott will be the test of the Club's strength for 1976. With two comfortable wins behind us we have our first en -counter with a top side from 1975. Geoff Rees returning to the side will bolster the attack and Terry Sullivan's return will strength -en further the defence which is performing exceptionally well. 100% effort will be required by all players to make it three doubles in a row. Good luck to both sides.

IN THE LIONS LAIR

Congratulations to the reserves on their 14 goal win over Gosnells last week. The way in which the young players of the side applied themselves for four quarters and, in particular the last quarter, when goals were scored almost at will, is a pleasing sign for the Club.

Great effort by Wayne Lloyd on the wing with the tireless displays by Steve Vickers, Brad Colvin, Dave Payne and Bob Mildwaters.

Unfortunately, our League side were beaten by a better Gosnells side on the day. Whilst all players undoubtedly gave their best, it's apparent that the lack of cohesion shown (particularly in the forward line) will be corrected as soon as new and old players start functioning as a team.

The moving of Ian Crawford on to the ball after half-time allowed supporters to witness some of the natural football skills of this talented player and we look forward to his future games.

The Thornlie side, renown for their ability to fight back from difficult situations are now looking to the astute guidance of Capt. Coach Fred Seinor for an improvement in the team's performance when we meet Kalamunda today and register our first points.

Best Players - Ian Crawford, Greg Taylor, Ray Dalton and Peter Gurney.

KING LEO

KALAMUNDA

Let us not accept the fact that our performances up to date have been an improvement. Only by winning can we achieve the satisfaction we as a club desire. Accept the fact that constructive criticism is needed to lift Kalamunda to a respected position. We have the coach, we have the talented players, play as a team helping each other to achieve our objective, the challenge is ours.

A quiz night is being arranged for late in May. Players and supporters will be advised actual date. Start talking to your friends and lets make this a great night.

June 5th is to be our Ball, in the past this has been one of our social highlights, start your parties now, tickets will be available in the next few weeks.

Ladies, we need your assistance for the kiosk and after game socials. Clive Gordon will be seeing you today so that rosters can be drawn up. In the past your loyal support has been the backbone of this club, we would be grateful for any suggestions you can offer to organisation, etc.

Ken, the club is 100% behind you, your efforts are terrific so how about it players, give till it hurts this week for a win. Think of the lift we can get if this is achieved, settle for nothing less.

Welcome Thornlie, we invite you to join us at Wattle Grove Hall after the game.

TANGLEFOOT

TIGER TALES

Last week's game failed to put points on the board. Supporters of Canning were once again most disappointed by the lack of desire shown by most players against a very keen Mandurah side who virtually won the game in the first quarter. Although more desperation was shown in the second half, Mandurah soundly thrashed us.

Neville Vellacott turned in a beauty for his first game back. Bob Barton, Craig Nock and Peter Kimberly were also outstanding in a beaten side.

The Seconds, with only fourteen players and two pensioners, fought a losing battle to go down by 5 goals. Greg Green showed he deserved to be playing League and Steve Goodall showed how good a player he is. Old timers, 'Blue' Mitchell and Hec Cooper made up the numbers. Blue showed he has lost none of his former vigour.

Today we play the strong Maddington side and with the return of several top players from injuries and with home ground advantage, we should be a force.

OLD TIMER

THE BULLDOGS

Last Sunday saw Kelmscott emerge with a well deserved double victory. A vastly improved seconds combination proved the old saying that a champion team is better than a team of champions. A tight defence that held Armadale scoreless for the 2nd and 4th quarters provided the spearhead for attack.

In the League the Bulldogs raced to an early lead assisted by a strong wind but Armadale turned the tables in the 2nd quarter and set the stage for a tense second half battle.

In the second half, the Armadale attack floundered against the rock-wall defence of Peter Edwards at full-back, who ably assisted by Barry Miles inspired the Kelmscott boys who ran away with the game against the wind in the final term.

The Club congratulates Lindsay Tann and his wife on their newly born. Lindsay was in the thick of the action all day against Armadale and displayed gutsy determination.

Best players - League - Peter Edwards, Barry Miles and Lindsay Tann. - Reserves - Darryl Higham, Wayne McKay.

MIGHTY ROYALS

Strong team efforts by the Royals in both games last week resulted in two convincing wins against a very disappointing Kwinana. The League's win was a ripper for the Royals as this was the first occasion that we had defeated Kwinana. The tricky windy conditions made good football difficult and it wasn't until half time in both games that the Royals overcame the conditions and played the brand of football known to them. Had the League side been more accurate when kicking for goal the winning margin would have been much greater.

Best players for the League were Greg Narrier who put in a solid display on a half back flank, Nipper Truscott on the ball and Kim Lofts who returned to the side at centre half forward.

For the seconds there was none better than Tommy Quinn who outclassed his opposition all day. Butcher Beattie, Neil Fry and John Eddy also put in great efforts.

There is still room for improvement in both sides, however, with the return of several players from the sick and injured list the sides will no doubt be strengthened. These players include Brian Thompson, Barry Nicholas, the Gilbert brothers, George Pomesbach, Mike Strong and John Hart. Many thanks to Kwinana supporters who remained after the game last week. We will return the favour when we next meet.

Congratulations to Gary and Lorraine Worthington who were married last Monday. Gary will be out of the side for the next three games. Social - Membership fees now due - $12 males, $6 females (not $8). Keep selling the Ball tickets, only $25 and great value. The 100 club is selling very fast. Get your number now otherwise you may be disappointed - see Graydon Eddy. The response to the weekly tipping cards is nothing short of pathetic. Terry Tilby is putting a lot of effort into this competition but is getting very little support from the players. Make sure you get at least five cards today and make sure you sell them. Best of luck to both sides for today's games and lets see if we can bring up our third consecutive double.

P.R.O.

THE KNIGHTS NOTES

Last Sunday's efforts against Kenwick were very disappointing. The reserves were able to match Kenwick for much of the game but a lapse in the third quarter proved costly. Best players were - Ron Roberts Graham Howe, Mick Donovan and Ala Graham.

The League side's effort was one of their worst for several years. All players seemed to try hard but the normal cohesive team play was sadly missing. It was hard to seperate Murray Lloyd and Mick Indich as best players with 'Kazz' not for behind. However, few others were able to put together a solid four quarter contribution.

Today we meet Armadale and by all reports the Demons are a much improved combination. An improved performance is expected from both sides. However, win, lose or draw, a welcome is extended to all Armadale players and supporters to join us in an 'ale' after the game.

Sponsorship for the track suits is going very well and it is good to see a well known company like Castrol using this method to advertise their GTX motor oil. We are steadily gaining recognition outside our area it seems.

Social Notes - A Quiz Night will be held on 5th May with Peter Waltham as compere. Tickets are now available at $1.00 each.

The Annual Ball will be held on 4th June. Tickets are $17 and this includes a buffet meal, beer, wines and cool drinks.

Membership fees are now due and can be paid to any Committeeman.

TALK OF BULL

Last Sunday the Bulls gave further proof of their determination to stay at the top of the competition with runaway victories in both the League and seconds.

The League team settled quickly into stride, with clever play from many of the smaller players, and in particular Jim Di Carlo, Ted Weir, Ian Saunders and Barry Stockden. These players, together with Paul Mountain and Ron Watroba continually creating opportunities for the forwards goals were registered at a regular rate. Players to make the most of these opportunities were Trevor Tregear, Noel Knight (8 goals) and Jim Butler (6 goals).

While many players in the forward line came under notice, perhaps our best and most consistent efforts came from players in the backline. Jim Cominelli and Graeme Brice playing outstanding games in defence.

The seconds side, with the rucks and rovers dominating play from the outset, never gave Kalamunda a look-in. Solid performances in this department were given by Dave Reynolds, John Duthie and Brent Anderson. It was pleasing to see John Duthie strike form and his 9 goals should enhance his chances of League selection. Once again, Gus Reynolds played strongly at centre half back where he was rarely beaten.

Both on and off the field the Bulls enjoy doubles and it was a double double celebration last Sunday. Congratulations are extended to both Jan and Graeme Mason on the birth of their son Scott and also to Vince and Anne Slavin on the birth of their daugher, Emma.

Social News - Members are reminded of the Games Night to be held on the 30th April at 8.00 p.m. Admission is $2 and everyone is urged to attend.

DEMONS DIGEST

'NOT FOR NIX - IN '76!'

Our venue today is at Medina Oval, home of the Kwinana 'Knights'. Did you hear that joke about the boil doctor who was knighted Sir Lancelot?

Last week, at Kelmscott, our Reserves performance was little short of pathetic. If it wasn't for the efforts of Ernie Dingo, Kim Fowler, 'Fish' Heron, and a couple of others, it would have been diabolical! Look fellas, coaches can scream, supporters can shout themselves hoarse, and I can wield a wicked pen, but in the final analysis, it's your attitude and performance that counts. Our slogan doesn't have to be spelt out, does it?

The League game restored the supporters moral. In a hard, fast, no quarter given type of game, the Demons, though beaten in the end, gave a good account of themselves, the Bulldogs knew that they had been in a game of football. The Demons came from behind in the first quarter to capitalise on the strong wind and get in front at half-time. The third quarter saw Kelmscott peg back the Demons' lead, and in the final quarter, to the Bulldogs credit they came at the Demons against the wind. However, to the final siren the Demons never gave in, a spirit not seen for a long time. This spirit will stand them in good stead, make no mistake! Once again, all players played well, and as with the week before, another player, unspectacular but very workmanlike, not a foot wrong all day, and that was Peter Griffiths. In their first League game this year, Maxie Van Helden and Matt O'Mara played very well, as did Royce Wilkerson. Matt's 'get stuck in' attitude was an extremely pleasing aspect of his game. Good on 'yer Matt.
